BANKSTOWN CBD RENEWAL

A prime piece of real estate in the Bankstown CBD was recently sold at auction for almost $18 million – nearly $3 million above the reserve.

The auction of the 6,355 square metres of land, located at Leonard and Restwell Streets, Bankstown, is cleared and zoned for high-density residential development. It attracted more than 100 enquiries and 30 registered bidders.

The sale allows Council to continue its revitalisation program in the Bankstown CBD.

MORE THAN HALF A MILLION VISITORS

672,000 people have visited the Bankstown Library and Knowledge Centre since it opened in April last year.

The total number of new members has also almost doubled, climbing well over 8,000 in just 12 months, while the Centre continues to impress industry leaders, snaring another award for its structural engineering from The Association of Consulting Structural Engineers NSW.

DOG PARKS

Dog lovers will have a couple of new locations to take their pets as part of Council’s new Dog Park Plan. The next park planned for development is Band Hall Reserve in Birrong.

Currently, residents can let their furry friends run around at Vale of Ah Reserve in Milperra.
Each year, Council prepares an Operational Plan and Budget that details how it is working towards achieving the Vision outlined in the Bankstown Community Plan 2023 – Council’s blueprint for the future.

As local government faces a period of reform, it’s especially important to make sure our plans continue to be responsive to economic and financial pressures, and changing community needs.

In 2015–2016, the $160 million budget will include a $31.5 million capital works program and projects delivering:

- $12.4 million for road upgrades;
- $1.3 million for footpaths;
- An Activation Plan to revitalise The Crest precinct at Bass Hill;
- Upgrades to memorials;
- Health and safety initiatives to reduce illegal dumping, prevent graffiti, and improve food safety;
- A $750,000 investment at the Vale of Ah, Milperra;
- A series of off leash dog areas;
- Replacing red wheelie bins where required;
- Bankstown CBD enhancements including a project to improve access to Memorial Oval and Bankstown City Gardens; and
- The award-winning Midnight Basketball Youth Program.

To read a copy of the Operational Plan, Budget and Schedule of Fees and Charges for 2015–2016, visit www.haveyoursaybankstown.com.au or call the Integrated Planning Unit on 9707 9484.

More than 30 residents attended the first forum at Revesby Community Hall in March to discuss crime trends and safety issues.
