Road work on Rookwood Rd, Yagoona

Transport for NSW | August 2020

The NSW Government is carrying out this essential work as part of ongoing maintenance of the State road network.

From Sunday 23 August, Transport for NSW will be repairing concrete and asphalt on Rookwood Road on the corner of Muir Road, Yagoona.

Our maintenance work aims to:

- provide a smoother road surface
- prevent or minimise damage to roads from weather and wear and tear
- increase safety
- provide consistent driving conditions
- reduce maintenance costs.
Engaging with the community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

How will the work affect you?

Our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to the workers and motorists.

It may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier tasks like jackhammering and saw cutting by midnight.

To minimise disruption to residents, businesses and road users, we will not work more than two nights in any week, or more than six nights in one month.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Our work schedule

We will be on site for 4 night shifts between Sunday 23 August and Friday 18 September, weather permitting.

Our work hours will be between 8pm and 5am from Sunday to Friday.

Contact us

If you have any questions, please contact our delivery partner, Ventia Boral Amey on 1800 677 700 or nswenquiries@vbajv.com.au.

For more information on our projects, visit transport.nsw.gov.au.

Thank you for your patience during this important work.
