Continuing maintenance on Newbridge Road Bridge, Milperra from Monday 16 March

The NSW Government is carrying out this essential work as part of ongoing maintenance of the State road bridges.

Transport for NSW will be carrying out concrete repairs and activities to prevent corrosion of the Newbridge Road Bridge in Milperra and Chipping Norton. The work will be conducted underneath the bridge.

Our maintenance work aims to:

- prevent or minimise damage to bridges from weather and wear and tear
- improve safety
- reduce maintenance costs.

Location of work on Newbridge Road Bridge, Milperra and Chipping Norton
How will the work affect you?

As our work will be conducted underneath the bridge, there will be minimal impact on motorists.

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight.

Traffic changes

There will be temporary pedestrian and traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Architecture

Our work schedule

Work will be carried out from Monday 16 March to Friday 31 July, weather permitting, excluding public holidays.

Our working hours will be between 7am and 6pm from Monday to Friday and between 8am and 1pm on Saturday.

We may occasionally work at night between 6pm and 9pm from Monday to Friday to receive deliveries. In addition, there will be one shift of vegetation management between 6pm and midnight.

Contact

If you have any questions, please contact our delivery partner, Ventia Boral Amey Joint Venture, on 1800 677 700 or nswenquiries@vbajv.com.au.

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
