Road Work on Canterbury Road, Campsie

Transport for NSW | July 2020

Transport for NSW continuously undertakes road pavement maintenance across the network. We will be on Canterbury Road, between Chapel Road and Berna Street, Campsie undertaking crack sealing of road pavement joints and cracks from Sunday 5 July.

Our maintenance work aims to:

- prevent or minimise damage to our road pavement
- reduce maintenance costs
- improve road user safety, and
- reduce maintenance costs.

Location of work
Engaging with the Community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

How will the work affect you?

Our work needs to be carried out at night to minimise traffic disruption and reduce safety risks to the workers and motorists.

Work will be carried out up to five nights per week in order to complete the work as quickly as possible and reduce the impact on motorists and the community.

We will stage night work so that you will not be affected for more than two nights a week.

It may be noisy at times, but we will do everything we can to minimise its impact.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers’ directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact us

If you have any questions, please contact our delivery partner, Ventia Boral Amey on:

1800 677 700 or nswenquiries@vbajv.com.au
