Dear resident and/or business owner

We would like to inform you of work planned to be undertaken at Rorie Reserve Creek, Padstow, from Janice Ave to Wainwright Ave (see map on reverse side).

Work being undertaken:
- Extention of stormwater pipe;
- Bank battering and rock armouring;
- Sewer protection;
- Construction of maintenance access track;
- Stabilisation work at outlet; and
- Revegetation.

Timing
Work will commence in May 2020 and is anticipated to be completed in September 2020 – weather permitting.

Altered conditions

There will be some disruption to traffic and on-street parking due to movement of trucks at Janice Ave resulting in the implementation of traffic control measures. We apologise for any inconvenience caused during the construction of these improvements.
